

The AI judge alone catches 56 of 60 harmful memes, with 4 false alarms

Qwen3.5-9B · 120 hand-checked memes · reference for the two-step system

		What the AI decided	
What a human decided		Flagged	Not flagged
Harmful (60)	Harmful (60)	56 Correctly flagged	4 Missed
		4 False alarm	56 Correctly ignored

The AI judge checks every meme, with the improved version of our definition (indicative only: it was tuned on these memes). Rows: what a human decided; columns: what the AI decided. Green: right answers; orange: mistakes.
